

Managing Noise Promotion

Get 10% off eligible Voyager headsets from participating resellers

Valid: April 1 – June 30, 2018

In today's digitally connected world, work is no longer a place, it's an activity. But background noise can get in the way, frustrating employees and reducing productivity.

Equip your employees for success with business-ready Bluetooth® headsets that block surrounding sounds so they can stay focused in any environment. Available in a range of wearing styles, Plantronics Voyager Series features superior audio quality, multi-device connectivity and noise-canceling technology.

- **Voyager 5200 UC**—Four adaptive microphones and Windsmart® technology virtually eliminate background noise for clear conversations when on-the-go
- **Voyager 6200 UC**—Our latest addition to the Voyager family, this versatile neckband headset with earbuds delivers premium features and professional-grade audio for flexible noise management
- **Voyager 8200 UC**—Hi-fi stereo and dual-mode active noise canceling provide an immersive audio experience, creating a quiet retreat from office noise
- **Voyager Focus UC**—Stereo Bluetooth headset with active noise canceling that blocks out the external world for total focus
